Dear Sir:

INFORMATION DISCLOSURE STATEMENT CORRECTION

Please note that in the Information Disclosure Statement submission of April 10, 2008, we submitted a Derwent record for a family of applications cited in a communication from a foreign Patent Office in a counterpart foreign application, along with a corresponding United States patent. We erroneously included the Derwent Record for the corresponding Japanese application, rather than for the Chinese application as intended.

Attached is a copy of the correct foreign reference, CN 1191349, which was cited in the original IDS submission, along with the Derwent record showing that the US Patent No. 6,304,568, the Chinese Patent No. 1191349 and the previously submitted Japanese Patent No. 10222480, all belong to the same family.

No fee is believed due for this submission. However, the Applicants authorize the Commissioner to debit any required fee from Deposit Account No. 501593.

Respectfully submitted,

By: /Jeffrey M. Measures/
